

HMG India – Your ideal partner for an enduring business partnership...

**CONSTANT TMP. BATH/LOW TMP. BATH
HMG CONSTANT TEMP. WATER BATH**

Double walled, inner S. Steel, outer CRCA dully Epoxy Powder Coated finishes. Gap filled with Glass Wool Insulation, A Motorized Stirrer with internal circulation mounted on one side of Water Bath for maintaining uniform Temp. within bath. Heating is by Immersion type special Water heater, a booster heater can be provided for initial boosting (if required)

Deluxe Model is inner chamber thick S. Steel dully **ARGON WELDED** and outer chamber is Prime GI with powder coated or S. Steel Matt polished finish.

Temp. Range Ambient +5°C to 95°C / 10°C~50°C (Low Temp. bath)

Accuracy ± 0.2°C or better

Temp. Control Micro PID Controller cum indicator with sensor.

Thermostatic Water Bath

Made of inner S.S. / outer GI Powder coat / SS finish, gap filled with glass wool insulation. Lid provided with 75 mm hole (6 / 12 hole) and concentric Ring (03 pc/set)

Electronic Digital / Micro PID Controller with pT 100 Sensor as optional.

FLUOROSCOPE / UV. INSPECTION CABINET

Fluoroscope specialty designed and develop the check the fluorescence. Unit fabricated from Prime CRCA sheet dully EPOXY Powder coated finish with Day light, U.V. Light (Short Wave 254 nm & Long Wave 365 nm) supplied with Imported Filter for short wave length light source for safety.

Features of HMG FLUOROSCOPE

- Compact Lightweight, Transportable, Economical cabinet.
- Separate long UV (365 nm), Short UV (254 nm) & visible sources. (08 Watts)
- Long and short wave UV sources are interlocked to avoid co-irradiation.
- **Special Short UV Filter for high detectability and sensitivity.**
 - POWER SUPPLY 230 Volts (110 V on request at extra)
 - CUSTOM MADE SIZE – DESIGN ON REQUEST

- Due to continues R&D model/specifications may change.
- Pictures shown may be with optional accessories.
- Power supply 230 V/440 V, AC , 50 Hz, Mains. Other power supply on request.

- Equipment are supplied with Calibration Certificate with traceability, MOC certificate, Equipment / Controller manual Softcopy. Hard copy on request at extra.
- cGMP Models are supplied with Protocol document along with Calibration certificate.

Business Partnerships That Last Forever
