

Landscaping - Why FieldTurf™

Eco-Friendly

FIELDTURF	Natural Grass
One time cost	Never ending Maintenance costs
<i>No watering, No Maintenance</i>	Cost / availability of Water, Mowing, Weeding, Fertilizing...
No standing water! (Ideal for rooftops)	Worries of leakage / structure weakening
Rugged, round-the-clock usage	Delicate, restricted usage
Lush green, grassy look for years and years	Frequent re-laying; brown patches
