**FIRE IS A DEADLY FORCE.
IT KILLS THOUSANDS EVERY YEAR.
STRIKES A HOME OR AN OFFICE
EVERY TWENTY MINUTES.
AND CAUSES LAKHS WORTH OF DAMAGE
EVERY SINGLE DAY**

**AGAINST SUCH A POWERFUL ENEMY.
YOU NEED A POTENT ARSENAL.
A RANGE OF WEAPONS DESIGNED AND
ENGINEERED AT THE VERY EDGE OF
NEW AGE TECHNOLOGY.**

**CEASEFIRE , THE NAME THAT HAS BEEN
SYNONYMOUS WITH FIRE SAFETY,
NOW BRINGS YOU JUST SUCH A RANGE.**

ABOUT COMPANY.

Cease Fire & Electrical Services was established in **1st January 1992** and registered on **January 1993**. It has been continued to maintain a structured growth, which is reflected by our reputation for high quality material supply, installation and standards of services.

We wish to mention that we have been awarded the RASHTRA NIRMAN RATNA AWARD Best Govt. Contractor (Year 2002).

As a known company, a high proportion of our work is derived from repeat business-the best possible recommendation. Our company is managed by a team of experts in the field of production, marketing, as well as financial administration with sufficient years of experience. The company has experienced and qualified engineers who have number of years experience in designing different types of Fire Alarms & Fire Fighting Systems required for different types of areas.

With over two decades of experience in the field of Fire Alarm, Fire Protection, Electronics Security, Surveillance & Automation Systems, Cease Fire & Electrical Services bring you state-of-the-art products & services. With Well-established infrastructure and specialized experience, our reputation stands on solid foundations right from carrying initial Surveys, Design, Engineering, Supply, Installation, Testing and Commissioning of various kinds of Electronic Security and Safety Systems.

As **Cease Fire & Electrical Services** looks toward the future, we are constantly adding new talent to our expert staff to keep our services and ideas fresh and energetic. We are always on track with upcoming developments in the industry.

OUR MAJOR ACTIVITIES ARE AS UNDER:-

- A** Analysis and evaluation of Fire & Security Risks.
- B** Free survey of premises, which are to be protected, advice and assistance on all types of Fire and Security requirements.
- C** Design of tailor made systems in accordance with Indian and International Codes to suit client's technical and cost effective needs.
- D** Supply, installation, testing, commissioning and maintenance of systems, providing training to Security Staff for operation of systems and preventing further losses.
- E** After Sales, Services, during warranty period as well as entering into Annual Maintenance Contract after warranty, to keep the systems functional to its fullest capacity.

VISION

To provide world class intelligent end-to-end solutions in Safety, Security, Surveillance and Fire Protection Systems integrated on an open platform, delighting our customers and valuing their investments.

MISSION

To maintain and expand our positions a leading provider in Safety, Security, Surveillance measures and associated skills to the commercial and industrial security domains, whilst providing a centre of excellence for cutting edge technology.

COMPANY GOALS

REPUTATION

Cease Fire & Electrical Services will provide dependable service based on the needs of the customer: get it right, finish in timely manner, and charge a fair price. Our goals are professionalism. Quality workmanship & customer satisfaction.

COMMUNICATION

Cease Fire & Electrical Services will strive to develop clear and effective communication in all company relationships: written policies and verbal communication with employees in the field and office, clear contracting and timely billing communication with the customer, effective procedure for working with our vendors and suppliers, and consistent marketing and public relation to promote the company and its service to our surrounding communities.

RELATIONSHIP

Cease Fire & Electrical Services will exemplify Christ-like relationships with employees, suppliers, and customer. Our attitude will be characterized by willingness to be prompt and dependable, an appreciation for the relationship and the work it represents, a concern for the importance and urgency of other's needs, and a commitment to moral excellence in our business practices.

PRODUCT LINE

- ★ Conventional Type Fire Alarm & Smoke Detection Systems.
- ★ Addressable & an Intelligent Fire Alarm Systems.
- ★ Wireless Fire Alarm Systems.
- ★ FM200 Fire Suppression Gas Flooding Systems.
- ★ Fire Fighting (Wet Riser) Hydrant & Sprinkler Systems.
- ★ Foam Flooding (Water Base) Systems.
- ★ FIRE TRACE System-Automatic Fire Detection & Extinguisher Systems.
- ★ C C T V, Security, IP Conventional Systems.
- ★ Access Control Systems.
- ★ Electrical Installations.
- ★ Providing All Types of Fire Extinguishers.

SERVICE

We Undertake

Annual Maintenance Contract

Comprehensive and Non Comprehensive

For All above Systems.
